FOLLOWERS

Most are curious,
objective and
unemotional. However
they study human
emotions and
conscience, even
treating their own
fading humanity as
the subject of
scientific study.

They are very
spiritual but lack any
apparent passion for
what they believe. They
study death and the
occult as sciences.
They are loyal to the
sect.

FOLLOWING THE PATH

The follower should
accept human emotions
and conscience as part
of the greater
macrocosm, yet
perform an almost
clinical study of
them. The Follower
should never show
strong emotion. The
Follower should seem
both kind and cruel, but
act coldly almost all of
the time. The
Follower should
study death and
maintain an interest in
the occult.
